What went Well:

Progress Day. A great day on both sites with really high attendance. Thank you to JD and all those involved. It was really good to see such a positive atmosphere, with parents and students and mainstream schools all engaging in the day.

Actions Have Consequences workshop

A hard hitting, but real fun workshop from the HM Prison Service, with Cumbria Police on the consequences of certain actions. With a particular focus on Gang culture and County Lines, the children on both sites sat for 2 hours solid and listened as well as interacted with the Police and Prison Officer from Strangeways! The staff enjoyed the day too.

Congratulations to those successfully appointed to TA and HLTA this week. Next round this Wednesday with Art/ Food

Early Help team from the Local Authority joined the Safeguarding team in to talk about the Early Help process and how we might better work together. Thanks to them for their time and we look forward to working more collaboratively moving forward.
